

Shane Sevo

Shane Sevo

Technology Lead

Shane is a founding member of the SuperHouse community and regular contributor on most every project. Shane really loves to see people rally around an artistic endeavor and create something together. He loves to fuse technology with purpose and see it get used to do something good. SuperHouse is just such an effort.

Shane has a Bachelors degree in mechanical engineering. He has a strong background in information technology and 3D modeling. He has spent the last ten years working with computer related media projects and he still enjoys them.

Shane has a knack for finding the technology and/or people that will 'make it happen'.
