

Email Marketing Service

The primary purpose of marketing is information. Informing your market of your services or products, location, etc. Email Marketing? Yes, this can sound scary. Don't worry we are not teaching you how to "SPAM" clients. In our Superhouse Email Marketing package we will:

- Analyze your contact list, and help you come up with a focused marketing strategy and plan for your emails
- Help you tie this strategy to your Business Plan - Business Plan analysis

- Help you with the content management and design of your Newsletter or Survey
- Help you pick the Email Marketing tool that works best for your business
- Analyze the effectiveness of your Newsletter and/or Survey
- Offer you ongoing analysis, and feedback on your strategy - if needed

We've helped you create a super web presence. [Click here](#) and let us help you get your market to your presence.
